Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 285A to Ringwood, Oklahoma as that community's first commercial FM service. Ringwood is an incorporated community with its own zip code and a population of 394 persons. Ringwood has its own Mayor, Ernest Rexroal, its own school system, its own volunteer fire department, police department, post office and a number of local churches. Ringwood is a community that is certainly deserving of local FM service. The proposed channel 285A will provide additional diversity and an outlet for local self-expression to Ringwood

residents and therefore is in the public interest.

Should this petition be granted and Channel 285A allotted to Ringwood, Oklahoma, Petitioner will apply for Channel 285A at Ringwood and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford
